# keynote speakers

**Oliver Yonchev**

Oliver is the Managing Director of The Social Chain USA and is responsible for the development of the group's North American operation, spearheading the company's plans to open three additional offices across LA, San Francisco, and Chicago by 2022.

**Stacey Copeland**

Footballer, Professional Boxer and Radio Host, Stacey has represented the England U18s and played in an FA cup final. As an amateur boxer Stacey won a European silver medal and won the Commonwealth title in 2018.

**Dr Radha Modgil**

Dr. Radha is a practising NHS GP, broadcaster & campaigner for wellbeing. Radha educates in a creative and fun way, encouraging people to stay healthy. She has a passion for connecting with & hearing people's stories, and understanding how we can all learn from each other.

**Kamal Ellis-Hyman**

Kamal is a Motivational Speaker who raises aspirations despite circumstances, through creating assemblies, workshops and long-term programmes. Kamal is also a Spoken Word Artist and former Youth MP.

# event features spotlight

## Partner Workshops

Watch videos and access resources from our partners to inform your choices

## Resources

Find all the information and resources you need to be informed about the top employers and universities.

## Keynote videos

Watch our exciting keynote speakers and learn from their stories and experiences!

## Q&A Chatbox

Ask the presenters questions about applications, top tips, links to resources or anything else!

# students, win big!

Follow the prize guide below to find out how you can win big just by participating! By completing any of the challenges below, you will be entered the prize draw for each challenge. For some challenges, there is only one winner – so make your entry good! For other challenges, there will be more than one winner, so be as active as you can!
