

Tuesday 30<sup>th</sup> June 2020

Dear Parent / Carer,

### National Schools' Breakfast Programme

As an Academy, we are always looking for new ways to support our parents and the community we serve, especially during these times of uncertainty. Recently, we were offered the opportunity to enter a bid to access the **National Schools' Breakfast Programme** on behalf of our students. The aim of this programme is to ensure that all students have access to a free, substantial and healthy breakfast during the summer break.

If our bid is successful and we are able to access this provision, it would mean that on two allocated days during the summer holidays, the parents and carers of our students would be entitled to collect their FREE breakfast packs from Castle View Enterprise Academy. We have been informed that the breakfast packs would comprise cereals and bagels. The packs have been designed to meet the breakfasting needs of a pupil and the provision would last the duration of the summer holidays.

Before we make a bid to access this offer, we would like to gauge the level of interest amongst the families of our students. As such, please respond to the short, online survey by clicking the link on the email you received with this letter. I would ask that your responses be submitted by **12pm on Friday 3<sup>rd</sup> July**.

Thank you in advance of your response.

Yours faithfully,

Mr Tumelty

**Junior Assistant Vice Principal**
