

A single, vibrant red poppy flower stands prominently on the left side of the image, its petals fully open and facing right. The flower is set against a background of tall, golden-brown grasses that are slightly out of focus, creating a sense of depth and texture. The overall lighting is soft and warm, typical of a late afternoon or early morning setting.

When you go home  
Tell them of us and say,

*For your tomorrow  
We gave our today*

A **big thank you** to all our students that have submitted excellent work this week in honour of VE Day. Here are some examples of work submitted.

Let's take time over this bank holiday to reflect on how far we have come in 75 years and to honour those that fought for us to make our country a better & peaceful place.

We must also acknowledge **our community** spirits over the past several weeks by staying in doors to protect those we love and to help the NHS in unprecedented times.

A big tribute has to go to **Captain Tom Moore** who has not only fought for our country during the times we are paying tribute to, but to also raising over 32 million for the NHS. What an amazing achievement when his original target was to raise £1000. He is an outstanding role model to our younger generations.

We hope you have a lovely bank holiday weekend.

The email that went with these photographs:  
 I have done my design on a rock that me and my dad found at Marsden beach about 2 years ago. We picked it as it looked like a love heart. I drew a poppy, lest we forget and VE day on it and I have put it next to my nanas rose tree as she was alive in the war.

Those we love  
don't go away,  
they walk beside us  
*every day...*  
unseen, unheard,  
but always near,  
**still loved,**  
**still missed**  
and very dear.
