

Safeguarding Checks for Hirers

As part of the responsibilities placed on the academy we are required to ensure that all hirers (and their employees) of the academy facilities who come into contact with children or vulnerable adults have undergone appropriate safeguarding checks. You are therefore required to provide us with written confirmation that these checks have taken place by making the declaration below.

I confirm that all relevant safeguarding checks (including satisfactory DBS checks) have been carried out on all staff engaged by my organisation who will come into contact with children or vulnerable adults during the hire of the facilities at Castle View Enterprise Academy.
