Dear Parent/Carer,

I am sure many of you heard the latest news last night and that the Prime Minister has announced that it will not be possible to resume face-to-face learning immediately after the February half-term and instead hopes it will be safe to commence the re-opening of schools and colleges from Monday 8 March. This is in response to the national public health data and pressure on NHS capacity.

Since my last update we have taken further steps to ensure we support our entire school community during this period of remote learning by creating a dedicated page on the website named [Remote Learning Information and Guidance - Castle View Academy \(castleviewenterpriseacademy.co.uk\)](https://www.castleviewenterpriseacademy.co.uk/Remote-Learning-Information-and-Guidance). This page includes a range of useful documents and information about our current remote learning provision and advice around health and wellbeing during these challenging times.

We are very keen to gain your insight into the remote learning arrangements we have in place to support our students in response to the vast adaptations needed in light of COVID-19 and the most recent lockdown. We would very much appreciate it if you could take the time to complete this very short survey by clicking on the link below. Your feedback is very important to us and should you have any questions about the survey please email enquiries@cvea.co.uk. The deadline for completing the survey is **Tuesday 2nd February**.
