

Performing Arts Weekly Challenge

WEEK 1

DEADLINE 1:00PM FRIDAY 29TH JANUARY

What are we doing?

The performing arts department are going to be setting different challenges for both students and staff to complete on a weekly basis. This is some extra-curricular fun!

This is just 100% optional and you are **NOT** expected to show evidence of you completing this challenge. If you choose to however, you can share a picture or video to the Performing Arts department. This obviously would not be shared with anyone unless you gave permission for us to share it.

A winner of the challenge will be chosen weekly and shared in the next weeks challenge PowerPoint. If you would like to submit your own entry you can email nixon.n@cvea.co.uk and myself and the PA staff will choose the best ones.

Week 1 Challenge

- ▶ **STARS IN THEIR EYES.**
- ▶ Become your favourite musician.
- ▶ Why not recreate a famous performance or music video

- ▶ Make sure you ask your parents permission before you try to complete the challenge. You could even ask your parents to join in and get involved!
