

CVEA Summer Schools 2021 Details and Funding

The CVEA summer schools programme was implemented to help pupils who experienced the most disruption to their education during the coronavirus (COVID-19) pandemic. We aimed to provide a range of targeted development opportunities for our students via a blend of appropriate, evidence-based academic and enrichment activities.

At CVEA we determined that the students who would benefit most from a summer school were the Year 6 pupils making the transition into Year 7 in September 2021.

Below you can find brief details of our summer school programme as well as the amount of funding received and a breakdown of the spending.

Summer school funding

What is the Summer schools programme?

The CVEA summer schools programme was set up in response to the impact that the coronavirus (COVID-19) pandemic had on our youngest students learning. The aim of our summer schools programme was to provide pupils with academic education and enrichment activities in order to mitigate the impact of lost learning, particularly with regard to reading and mathematics.

At Castle View Enterprise Academy, we aimed to ensure that our summer school programme was used by the pupils who would benefit most. In addition to providing support with English, maths and science, the funding was used to improve opportunities for pupils to enhance their learning and wellbeing through a range of activities, including team building, music, art, cooking and sports activities.

School details

Name of school:	Castle View Enterprise Academy
School type:	Single Sponsored Academy
Total number of pupils:	1011
Pupils eligible for FSM:	380
Number of pupils who attended the Summer schools programme:	156
Total number of absent pupils:	2
Dates the Summer school took place:	26,27,28,29,30 July 2021
Number of days offered to pupils:	5
Year group(s) which attended:	Year 7 (joining the academy in September 2021)

Allocated funding

Allocated funding

Amount of funding claimed:	£25574.06
Total funding received:	
Funding received per pupil:	£59.70 per student per day
Amount of funding spent:	£25574.06
Amount of funding left unspent:	
[If applicable] Overpayment:	

Summary of spending

The funding enabled the school to:

- Provide quality core subject intervention taught by subject specialist.
- Provide quality enrichment activities that benefitted pupils' social, physical and life skills
- Provide activities that some pupils' parents might not have been able to offer.
- Ensure the pupil to staff ratio was appropriate for the successful delivery of the programme.
- Provide healthy and nutritious meals to pupils attending the summer school.

Record of spending to deliver the summer schools programme

Item or project	Cost	Intended impact	Outcome
Gross salary cost of all staff employed by the academy that worked in the summer school. Cost based on their normal hourly rate and the hours that they worked during the week of summer school as per DFE Summer School Guidance document.	£14929	Using our own subject specialist staff enabled us to design intervention for reading, writing, maths and science aiming at closing the gaps in learning due to the lost learning during lockdowns.	Students received targeted intervention according to need and students engaged with Y7 content in preparation of the transition in the core subjects in September 2021.
Resources purchased through Cost Centre 1098, Nominal Code 40070	£7240.74	The resources purchased includes: food for Y7 students break and lunches; equipment for science experiments; reading books for students to use in intervention sessions and reading for pleasure; mathematic equipment to use in lessons; flotation devices for students to use during swimming lessons; stock to use in cookery sessions; sporting equipment needed for a sports day.	The purchasing of resources was necessary to enable us to provide students with a broad range of activities that did not just include academic and sport activities but also activities that could prepare students for adulthood.
Pool Hire cost	£612,50	Students were taking part in swimming lessons.	All students were taught basic swimming and more competent swimmers were taught water safety and lifesaving skills.
Overhead allocation	£2790	Allocation of overheads being the cost of running the Academy building.	

Difficulties encountered

We encountered no difficulties in providing the summer school with the funding provided. Staff volunteers were able to design, deliver and assess an extremely successful intervention programme to all students. Participation was excellent (two thirds of our Y7 cohort signed up for the summer school) and the benefits to the students and staff in making the transition to secondary school an enjoyable and enriching experience. This would not have been possible without the funding provided and would be part of our regular transition programme if funding could be available yearly.

Student feedback and evaluation of summer school:

Summer School Feedback – July 2021

Name:	Luke Wilson
I really enjoyed:	I loved everything but liked Science, cooking and sports the most
At first I was nervous of: But now:	Nothing
The best thing about summer school was:	They treated us like adults not kids
I'm looking forward to Year 7 because:	It will be a new experience
Thank you for:	Giving me memories to cherish

Name:	Hannah Youngson
I really enjoyed:	Art
At first I was nervous of: But now:	Not fitting in Now I know I can
The best thing about summer school was:	Friday and afternoons
I'm looking forward to Year 7 because:	It's closer to me being done with school
Thank you for:	Free ice lollies

Name:	Kayne Mould
I really enjoyed:	All the activities I did
At first I was nervous of: But now:	Meeting new people I'm not worried anymore
The best thing about summer school was:	Cooking because I got to make cornflake cakes
I'm looking forward to Year 7 because:	I'll learn new things
Thank you for:	Letting me come

Name:	Matthew McMahon
I really enjoyed:	Maths
At first I was nervous of: But now:	I wasn't nervous
The best thing about summer school was:	Sports day

I'm looking forward to Year 7 because:	It is the next chapter in my life
Thank you for:	Teaching me new things

Name:	Evie Burnett
I really enjoyed:	English
At first I was nervous of: But now:	Meeting the teachers I like them all
The best thing about summer school was:	Sports day
I'm looking forward to Year 7 because:	It just seems really fun
Thank you for:	The best week I have had

Name:	Jessica Scott
I really enjoyed:	Learning to play the keyboard
At first I was nervous of: But now:	Not making friends I have lots of new friends
The best thing about summer school was:	Art and music
I'm looking forward to Year 7 because:	There are new lessons
Thank you for:	Teaching me during summer

Name:	Jake Coppock
I really enjoyed:	Meeting new friends and doing work
At first I was nervous of: But now:	Going to this school I love it
The best thing about summer school was:	Meeting new friends
I'm looking forward to Year 7 because:	I can start a new journey
Thank you for:	Letting me come

Name:	Gracie
--------------	--------

I really enjoyed:	Swimming and music
At first I was nervous of: But now:	Getting to know people
The best thing about summer school was:	All the activities
I'm looking forward to Year 7 because:	To get to know more teachers
Thank you for:	Having me

Name:	Masie H
I really enjoyed:	Art and cooking
At first I was nervous of: But now:	Making friends I have loads
The best thing about summer school was:	Sorts day
I'm looking forward to Year 7 because:	I wanted to do art
Thank you for:	Having me

Name:	Maisie Harvey
I really enjoyed:	Art, English, Sport
At first I was nervous of: But now:	Meeting new people I have a lot of new friends
The best thing about summer school was:	Meeting new friends
I'm looking forward to Year 7 because:	It is a big change
Thank you for:	Letting me into Castle View

Name:	Amy Lock
I really enjoyed:	Swimming
At first I was nervous of: But now:	Not being in the same tutor group I am
The best thing about summer school was:	You get to have fun
I'm looking forward to Year 7 because:	You make new friends
Thank you for:	Having fun

Name:	Brooke Lee
I really enjoyed:	Swimming, cookery and music
At first I was nervous of: But now:	New people I'm not
The best thing about summer school was:	Meeting new people
I'm looking forward to Year 7 because:	I will learn new things
Thank you for:	Letting me be here

Name:	Lily
I really enjoyed:	Swimming and music
At first I was nervous of: But now:	Making new friends Nothing
The best thing about summer school was:	Music and football
I'm looking forward to Year 7 because:	Of the lessons
Thank you for:	Your time

Name:	Miley Schindler
I really enjoyed:	Art and the sports event
At first I was nervous of: But now:	Not having friends I have made more friends
The best thing about summer school was:	Meeting the teachers
I'm looking forward to Year 7 because:	I can't wait to learn more
Thank you for:	Helping me be more confident

Name:	Elina Mohammadi
I really enjoyed:	Every activity including subjects
At first I was nervous of: But now:	Meeting the teachers They (the staff) seem very kind
The best thing about summer school was:	Meeting new people
I'm looking forward to Year 7 because:	I get to do activities

Thank you for:	Everything, thank you everyone
